

Boost Sales with ProvenProspects

Bring in more business by focusing sales efforts on the prospects that have proven to buy. ProvenProspects provides an innovative solution that identifies businesses in your territory that currently use the equipment that you are selling.

Increase Return on Investment

ProvenProspectsTM can help increase return on investment in several ways. Our clients are able to target more profitable potential customers quickly and easily. Our sales leads provide great insight into prospects future needs. This gives sales people more incentive to make high quality proposals to prospects that would otherwise be overlooked.

Gain Market Share

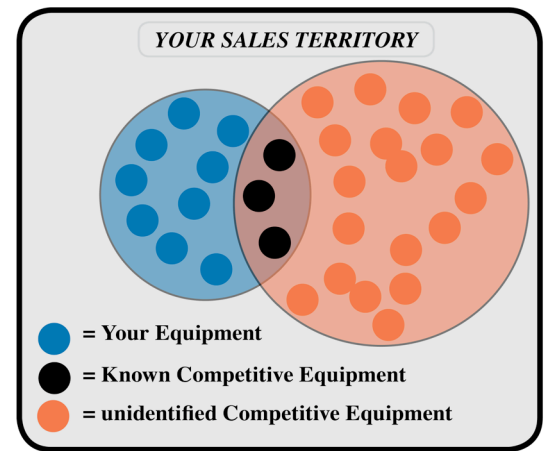

Gaining market share means taking customers that are currently doing business with your competitors. ProvenProspectsTM identifies competitive deals in your field. Target your Competitors customers and increase market share.

Empower Your Sales People

Put the power in the hands of your sales force. With ProvenProspects sales professionals can better know their territory and new business opportunities.

With our service, sales professionals can target the old equipment in their territory that needs replacing, leading to bigger deals and more successful calls.

The ProvenProspects LeadQualifierTM is a valuable research tool, because it reveals the underlying needs of your target market. Sign up for the free trial, and start reaping rewards from our wealth of information.

How Our System Works

Step 1:

Millions of Leasing & Financing Records are collected and sorted

Step 2:

Records are processed with our proprietary data-mining software

Step 3:

Proven Prospects can easily be identified through our LeadQualifierTM

Step 4:

Meet your new clients

The Advantages of Our Service

ProvenProspectsTM allows you to prospect less, and sell more. People that use our system are able to find opportunities that would normally be overlooked.

Full access to our versatile proprietary LeadQualifierTM

Our database access is our most popular service. This gives the users access to the most qualified individual prospects. Putting high propensity buyers at the top of the list will help you close more deals.

Customized reports pre-qualified with high propensity leads

Get marketing lists that are more than a list of names. Obtain real qualification information that allows you to target the best prospects at the best time. Our custom marketing lists are uniquely compiled for your particular needs. These lists can be prepared with enhanced business information at your request.

About Our Company

Our company is committed to the highest level of customer satisfaction. We strive to continually improve our platform and grow the number and quality of the leads we provide to the end user. We are driven by your needs, and in doing so, we uphold the following core values:

- Integrity** - We will be honest about our product and communicate a fair solution to your team.
- Innovation** - Research and development is at the core of our daily routine.
- Intelligence** - Our team is educated on our product and its uses and will be ready to help you.
- Insight** - We keep abreast of market trends and changes and adapt our organization.
- Information** - Our company is founded on information- it is most critical in today's fast-paced business environment.
